

Date:

To,
The Dean,
Faculty of Computer Science and Engineering,
Patuakhali Science and Technology University.

Subject: An application for permission to visit an industry.

Dear Sir,

With due respect, we would like to draw your kind attention to the following fact that, we are some regular students from the faculty of Computer Science and Engineering of Patuakhali Science and Technology University under the session 2021-22. In order to enhance our system analysis and designing skills, and as a part of our course code "CIT-221", we would like to visit an industry and gain some knowledge about the practical workflow of a real system.

We are interested in visiting, "**Summit Barisal Power Limited**".

We are aiming for learning the information system including routing mechanisms, background processes, and other aspects relevant to internet-based systems. We are also trying to explore potential opportunities for computer science students in a professional environment.

We, therefore, humbly request your kind permission to allow us to visit an industry. This visit would significantly contribute to our academic learning and future professional development.

Sincerely yours,

Mehedi Hasan Nazmul -2102013
